Requirements for Campaign Reporting Filing (§163-278.9) The Campaign Reporting Act requires financial disclosure of all political activities. Law provides that reports are due to be filed at the State Board of Elections Campaign Reporting Office for candidates in the 2010 Elections. The time of filing of these reports and the types of reports will vary by the type of campaign. Every candidate will be responsible for their compliance with campaign finance mandates. A Candidate Campaign Finance Manual is available on-line on the State BOE website. It is required that all campaign committee treasurers receive training in handling campaign finance reports and law. This can be accomplished on-line or in-person at numerous training sessions being offered.

IT IS IMPORTANT TO NOTE THAT: An **organizational report** must be filed with the State Board of Elections within ten days of becoming a candidate. Being a candidate includes taking positive action for the purpose of obtaining nomination or being elected, soliciting or receiving contributions, making expenditures to enhance a campaign, or filing a notice of candidacy, whichever comes first. The report can be found on-line and the Campaign Finance Division is available to help you with the filing.

Are there other filings required of Legislative candidates? North Carolina General Statute § 138A-22(d), as part of the State Government Ethics Act requires that certain “covered persons” file a statement of economic interest at the time they file for office. Currently, Legislative candidates would be considered such “covered persons”. As to who is “covered” please see GS §138A-11 and refer to the State Ethics Commission. You may obtain copies of this candidate statement of economic interest form from the State Ethics Commission or a board of elections.
